Command and Control Journal

- The CCRP will, as a result of numerous suggestions and an overwhelmingly positive response from the 7,500 members of its Professional Directory, create an on-line professional C2 journal. Your support is invited.
- Three levels of involvement:
 - Identify at least one publishable paper from the CCRTS/ICCRTS
 - Volunteer as a peer reviewer of papers
 - Volunteer as a content editor of journal

**I WANT
FEEDBACK**

Thank you for participating in the 11th ICCRTS
We want your feedback and suggestions
